Ways to Help:

- Collect travel-sized personal items (toothpaste, toothbrushes, dental floss, soap, shampoo, etc.) to send down on our Mission Trip
- Fundraise on your own for ministry supplies in Mexico as people often come to our missionaries for help, so they try to have basic clothing, food & medical supplies available to help those in need
- Purchase gift cards to Home Depot, Costco, Wal-Mart for ministry supplies (our missionaries go to San Diego almost every week to purchase supplies)
- Support Sojourners Mission with regular financial support
- Sponsor (fully or partially) someone to attend if you cannot

"Going on this trip was like taking a vacation away from self. I saw that the harvest is ripe in Mexico."

MEXICO MISSION TRIP

With Sojourners Mission in Primo Tapia, Baja California, Mexico

MAR 16-23

Have you ever wanted to go on a Mission Trip?

Here's your chance! We will be going to serve the orphanages & communities that Sojourners Mission regularly visit.

We are planning a trip to the Sojourners Mission Base in Primo Tapia, Mexico in March 2020, and hope that you will pray about coming along! Any person, of any age, with a heart for ministering to others would be a blessing both to our mission hosts as well as to those we are serving! Please note - we may not be able to take unaccompanied minors.

The total cost this year is \$1100 (payable to Mosaic Church Calvary Chapel) which includes airfare, pick-up/drop-off to/from the San Diego Airport, food and ministry supplies, transportation* and accommodation* while in Primo Tapia.

Additional costs in Mexico (on your own):

- 2-3 taco stand meals
- a financial blessing for the ministries we are serving and/or helping*

*Fundraising may be possible to help cover these items.

If you cannot come at this time, please speak to Cameron Wathen about alternate arrangements. This type of trip can be done on your own, with a family or small group.

The Details...

On this Mission Trip, we will be picked up by our Sojourners Mission hosts in San Diego, California. We will load up our personal belongings, then stop at Costco and/or Wal-Mart to pick up supplies for when we are in Mexico. After a 2 hour drive, we will arrive at the Mission Base, which will be our home over the next week.

Our hosts will help us to plan what we will be doing and where we will be going, as they are already serving in local orphanages & communities. Basically, we get to partner with them and will help to be a blessing to these people.

There are many opportunities to serve, from meal planning, meal preparation, housekeeping, service projects, craft/game leading, bible teaching, drama, etc. so be prepared to get involved! When we're visiting an orphanage, the kids mostly are happy that we are spending time with them, and the staff are grateful for a break from their normal routine!

After returning to California, we will be dropped off at the San Diego Airport to head home or you have the option to spend extra time in California, either relaxing or enjoying the sights on your own!
