

You're Invited!!

To Teens far and wide,

I am thrilled to invite you and your friends to Hope Bay Bible Camp on Pender Island, for a Teen retreat weekend this February. We will be getting together from the **10th to the 12th of February**, so pack your sleeping gear and rain boots and get ready for some epic times catching up with friends, making new ones and going on adventures. Look forward to hikes, disc golf at Penders' own fantastic course, and campfire songs around a.. REAL campfire! It doesn't matter if you've never been here before. We look forward to getting to know you, and to showing you what camp is all about!

In order to keep the cost for the weekend low, we will all get to participate in the cooking (COOK-OFF STYLE!) and cleaning up (don't worry.. Even dishes at camp are a great time with the right tunes.. And friends!) So the total **cost will be \$50, not including ferry tickets**. We truly hope that every one of you will be able to join us. Don't forget to register, and to tell your friends to register too at:
